TWOSH - GM Ed Carter.

ROMENY - GM Yves Lagimoniere. *French language. Sub not necessary.* 2 signed.

NUCLEAR HOLYCOST WORLD WAR III - Hugh Polley wants to run one of these, the rules of which will appear next issue. Apparently the game is big in some zines in the US but Hugh wants to entice some Canadians into this first game. 12-19 players wanted.

GUNSLINGER and FLAT TOP - Jeff PUNCHES wants to GM these games by mail so let me know if you are interested

GM Addresses: Barry Hickey, 657A St Clair ave W, Toronto, Ontario, Canada, M6C 1A7.
Yves Lagimodiere, 165 Sunfield rd, Downsview, Ontario, Canada, M3M 2V4.
Hugh Polley, 2620 - 16th st SW, Apt 208, Calgary, Alberta, Canada, T2T 4G2.
Jeff Panches, 4520 La Portalada Dr, Carlsbad, CA, USA, 92008.

NB: Barry's deadlines are close to mine because I live near to him and can pick up the reports. Other GM's will have to have their deadlines a week earlier in order to give them time to mail the results in. Please bear this in mind when you sign up. Also, send your game fee to me and let me know what games you want to join. I straighten it out with the GMS later.

BABY PEP: So you want to be a daddy eh? The other day I had just taken off his diaper (it was only 'wet' so I felt brave) and I had his legs in the air while I cleaned his bum with a wet cloth, when...you guessed it! Little huggableness did a number 2 all across my hand, the cloth, his new diaper and PJ's and the Wallpaper. Luckily I kept my cool and handled the situation in a logical manner - I called for Mommy. Other than that he has been a real contented kid. Over 2 months old and changing in personality every day. Right now his big problem is that he just recieved his first set of innoculations and he did not like it at all.

TO Players in GAMES gm'd By BARRY HICKEY.

Barry will be on vacation from Aug 25th till Sept 12th. He has given me an itinery which I have enclosed for those concerned.

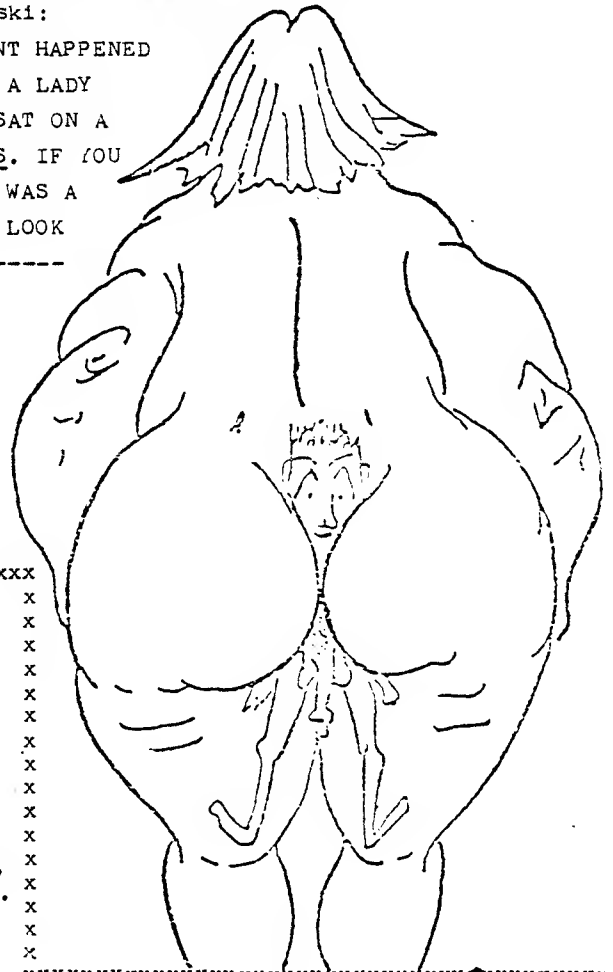

In general: Try not to depend on the phone for this season (New Brunswick is too close to Newfoundland for modern technology to work)

To preclude those nasty suggestions: the "Miss D Carter" that he is staying with is no relation to me

T-Shirt slogan of the Month: PEACE THROUGH SUPERIOR FIREPOWER.

QUOTE OF THE MONTH: If Texas and Toronto meet in the Championship seeries of the AL itwill be the first time it will be played on totally foriegn soil.

Answers to Trivia Quiz. (1) Aleytys had the DIADEM which was stolen from the RMoahl. I also accepted 'power crystals'. (2) The Death star destroyed Alderan. (3) Ben Konobi was a General. (4) "Run Luke Run". (5) Dune was the 3rd planet of Canopus. (6) Fedaykin=Death Commandos. (7) The 4 worlds of the Warden Diamond are: Medussa, Lilith, Cerberus, Charon. (10) McGill Feighan was swallowed by a Gastropod...didn't everybody know that!

Next Quiz: While I was in Detroit I was taking some verbal abuse from Kathy Byrne so I asked her what quiz topic she would like. This one's for you Kathy!

BASEBALL: (1) Who hit more homeruns in his career: Ted Williams or Stan Musial?
(2) If you get on base as a result of an error, is it an official
"At Bat"? (3) Who had the most consecutive .300 seasons in the major leagues?
(4) True or False: the 1978 New York Mets won their last 21 games to take the NL
East Div crown. (5) Other than Ted Williams name any 1 player to hit over .400 in
a season? (6) In Sandy Koufax's first 6 seasons he never won more than 11 games in
a season. True or False? (7) A batter hits the ball to an outfielder who drops it
(an error), the batter then scores as a result. Is this an inside the park home run?
(8) How many innings must a game go before it is "Official"? (9) Can a player run

the top 6. I can't imagine why SNAFU would finish higher than SK since my zine is so much sleazier. Does the North American public really want Baby Pictures and travel stories?????

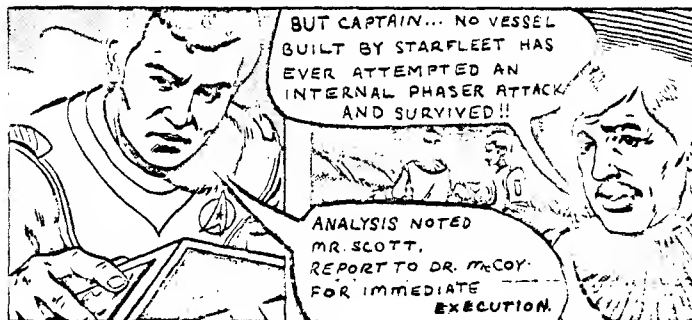

PANT, WHEEZE, I'M GONNA GIVE IT TO YOU SO HARD THEY'LL HAVE TO BURY YOU IN A Y-SHAPED COFFIN!

The only party that makes no promises, speaks of only logic and truth. Meanwhile we work hard to survive, struggle for our beers and make a party, a 'Party.' Brian M. will make a much smarter wimp than (Take note of spelling K Byrne) Joe Who? As far as Gretsky and Billy Smithrite (An industrial refuse company in Vancouver) ((Appropriate!)) they are very talented wimps. And while I'm on the subject of, enclosed is my dollar for your Argonaut win over my Lions 17-14 ((Mike and I made a small bet over the phone. That was an expensive call for you Mike)). They were very fortunate and that's what you need to win. Hey, why don't they put on a roof and install air-conditioning? Thank goodness the Grey Cup is on the West Coast this year - we've got all the proper facilities, to the rest of the country's chagrin. In any case Run and Shoot offence versus our "Waggle" will make a hell of a cup game. PS: Take the dollar and buy some gripe water, you'll need it.

((You make me drool with those prices! I almost bought the 64 when I was in Detroit but decided to bring some money back to pay the bills. Even with the 8% duty and 4% tax it's worth while to cross the border to Barfalo or Detroit to get electronic stuff. I wish I knew why they are so darned expensive in Canada? I just bought the #28 book (I've just started it) but I still don't have #27. Earl Dumarest, normally so cool and perfect, actually shows some signs of being soft. I hope the trend does not continue?))

DIPCON STUFF - The gunboat variant tournament was friday nite. 2 rounds of no-negotiations gunboat dip GM'd by Ben Schilling. Ben spent most of his time trying to enforce the no-negotiations rule - an almost impossible task when verbal abuse is considered negotiations. There were 7 boards in all and I can't remember who won. I made it to the second board for Round 2 but the 2 Katry's (Hyne+Cummings) took all my dots in round 2...I guess they resent Pubbers who use female pinups? Saturday and Sunday was the 2 round reg dip tournament hosted by Ben Schilling/John Caruso and Uncle Al Pearson. I made it there Saturday afternoon to get a 2 center standby position but had to skip sunday completely. I heard tell that a female non-pbmer won all with Eric Ozog 2nd?

1983 ORIGINS GAME AUCTIONS: In all there were 4 auctions scheduled to handle the huge amount of games that were registered for sale. Thursday Nite it went from 6PM till Midnight and was very much a sellers market. SPI games were especially fething good bucks. Friday 6PM till Midnight and Saturday 1PM-6PM and 8PM till Midnight were average for prices but on Sunday (1Pm-6Pm) humungeous bargains could be had because of the large number of games still up for grabs and the Con deadline of 6PM. In all, I managed to pick up.....

Some of the other prices paid were: SL/COI/COD - \$15, SL, COD, GI - \$32, LONGEST DAY - @60\$, DIPLOMACY - \$10, \$10 and \$12, DUNKIRK 1940 - \$32 and \$15. At a very exclusive special auction on Saturday, a copy of TACTIC I went for \$1200.00!!! and several other early wargames went for 100 dollars and up!!!!
